

STEM SCHOLARSHIP APPLICATION FORM

IMEG awards individual scholarships of up to \$10,000 to multiple students nationwide who are pursuing a degree which is STEM-related with an engineering focus. Scholarships are available for underrepresented students in their sophomore through senior years who have great potential and promise, who work hard to make ends meet, or who are faced with challenging circumstances.

SCHOLARSHIP ELIGIBILITY:

To be eligible for the IMEG Scholarship for 2023, a student must meet the following criteria:

- US Citizen
- Financial need
- Pursuing a degree in STEM-related field
- Full-time student, sophomore through senior, enrolled in the Fall semester of 2023
- Not currently employed at IMEG or related to an IMEG employee

APPLICATION INSTRUCTIONS:

Please complete this application and email the completed document to scholarship@imegcorp.com along with your unofficial transcripts and two letters of recommendation. **DEADLINE:** May 15, 2023
